MUSIC PRODUCER | RECORDING ENGINEER | ARTISTE MANAGER

Omar “SMARTKID” Currie is a seasoned music industry professional and managing director of Smartkid Records Limited, which he founded in 2007 and upgraded to a limited company in 2023. With a passion for nurturing talent, SMARTKID has built a state-of-the-art recording studio in Portmore, Jamaica, offering top-notch audio editing, mixing, vocal recording services and more.

Starting as a singer, SMARTKID transitioned to promoting parties and eventually found his calling as a producer, recording engineer, and artiste manager. He has worked with notable artists like Tarrus Riley, Kabaka Pyramid, Lutan Fyah, Kymani Marley, Sizzla, Beenie Man, and Merciless, to name a few.

He has released several projects, including Life Rhythm, Set It Off Riddim, Success of Discipline, among others.

Cont’d

Currently, he is working on the label’s upcoming album, set for release in 2026, featuring resilient and empowering tracks by Tarrus Riley, Sizzla, and more.

His production skills have earned him a Grammy nomination for his work on Jesse Royal's "Royal" album, (track entitled “Like Dat”), featuring Runkus.

In addition to his music career, Omar “SMARTKID” Currie serves on the board of directors at the Jamaica Association of Composers Authors and Publishers (JACAP) and serves on two committees: the Membership committee and the PR committee.

SMARTKID is committed to empowering artists and delivering high-quality music.

THANK YOU
